OLIVIER CLERC
GAIA BORDICCHIA

A fable that establishes the foundations for non-violent communication.

TU ES COMME TU ES...

YOU ARE WHAT YOU ARE...

How can we communicate with others without hurting them? Pompon the rabbit is confused... Is he big or small? Mean or kind? "You are what you are," his parents tell him. His father even lets him in on a secret, "When people say something about you, their comments actually say more about them. Remember that before you respond!"
