## THE UPPER SNAKE CASE

Mathilde Perrin is 63. A widow, she lives in a house in the suburbs of Paris with her dalmatian and a few extra kilos. But what's especially interesting about Mathilde is that she's a contract killer. A former member of the Resistance with a strong personality, she has been executing contracts entrusted to her by the Commandant for the last 30 years. Inspector Vassiliev is investigating the murders she has committed. For some time now, Mathilde has been nurturing a tendency to make her missions more attractive by adding some gratuitous cruelty.
