ABY'S EXPLORATIONS

**JOSÉPHINE TOPOLANSKI**

*Aboard her submarine,
Aby discovers extraordinary
landscapes full of fascinating
creatures!*

Aby loves to discover new worlds and explore mysterious lands. She is always excited to meet new creatures so she decided to become an explorer at a very young age. Her favorite activity is scuba diving. Aboard her submarine, she discovers fantastic landscapes and when she finds an ideal spot, she puts on her diving suit and leaves her ship to immerse herself in this world where everything seems to fly.

CHAPARRÓN

**FEDERICO COMBI**

*We can always find light
and hope despite sadness
and dark times.*

Sometimes the journey begins unexpectedly and you don't know where it will lead. Those voyages are sometimes marked by darkness, sadness, and confusion, just like our lives. But with a little hope, we can always reach a land of light, color, and friendship.

*My first picture book
of dinosaurs in collages!*

↳ DINOSAURES

DINOSAURS

This dinosaur picture book will allow parents and kids to share a moment of wonder while looking at Motomitsu Maehara's collage illustrations, which depict dinosaurs that disappeared millions of years ago and yet are still so alive in our imagination. Each dinosaur is also described in a fun sentence to highlight one of its characteristics. Next volume in the series: vehicles.

MRS. WOLF AND MR. HARE

Winter is here. Mr. Hare is walking in the forest, his white coat blending in with the snow. But is he really invisible? Nope! Mrs. Wolf catches him! Mr. Hare tries to convince her not to eat him. He claims that because he is as white as the snow, he would not be tasty enough for Mrs. Wolf's taste-buds. He also says that he will turn into a huge monster (with horns!) But Mrs. Wolf is cunning and very hungry...

» LE HÉRON BLEU

THE BLUE HERON

The heron hasn't lived on the lakeshore for several years now. Greedy and ignorant men were envious of all the fish he took from the water and they decided to drive him away. But without the heron, the sick fish multiplied and soon there were no more fish to catch. I dream that one day he comes back and forgives us...
