# Albin Michel Pratique

Founded in 1900, **Editions Albin Michel** is one of the rare French publishing houses to still be independent. Over the years, the family group Albin Michel has expanded into other domains.

The Practical department is committed to publishing books for everyday life: health, well-being, self-help, parenting, cooking, ecology, esoterism. Books to learn, to get to know yourself better, to breathe, to create, to dream...

## CAKE HERO

Each chapter presents a basic recipe, and how to bend it to your every whim. No need to know it all, and no need for tons of stuff. Adapt the recipe to YOU, your fridge, and your cake tins. Create, reinvent, and find a rare diamond thanks to technique sheets that lead you by the hand, organizational advice, and recipes designed to simplify your life. Ideal for baking with the kids, but also for learning to play with the variables, flavors, and textures that go into making, and unmaking, a cake.
