DIRECTORY
OF FRENCH PUBLISHERS
ANNUAIRE
D'ÉDITEURS FRANÇAIS

PROMOTING FRENCH PUBLISHING AROUND THE WORLD

For over 140 years, the BIEF has been promoting French publishers' internationally. This organization of and for industry professionals, has 280 publishing company members and receives the support of the Ministère de la Culture.

The BIEF has five principle activities:

- Organization of membership presence at international book fairs;
- Publication of bilingual catalogues of French titles and directories of French publishers;
- Research on the structure of and players in publishing industries around the world and provision of corresponding industry organization charts by country;
- Organization of meetings and seminars where publishing professionals can exchange views on and experience in the industry and have BtoB meetings;
- Organizing workshops and networking sessions for publishers and booksellers from around the world.

This directory is a comprehensive list of the companies that are members of the BIEF. Its aim is to allow publishing industry professionals around the world easy access to the international divisions (export, foreign rights and audio-visual rights) of their French industry counterparts by company or category.

nb: This directory is a list of BIEF's members as of January 1st, 2019.
The information included in the directory has been provided by the member companies themselves.

PROMOUVOIR L'ÉDITION FRANÇAISE À L'ÉTRANGER

Depuis plus de 140 ans, le BIEF est l'outil de promotion de l'édition française à l'étranger. Organisme professionnel, il regroupe 280 maisons d'édition et bénéficie notamment du soutien du ministère de la Culture.

Son programme d'activité s'articule autour de cinq types d'actions :

- La participation à des foires internationales du livre,
- La publication de catalogues bilingues, outils d'information sur les livres français,
- La réalisation d'études et d'organigrammes sur des marchés du livre dans le monde,
- L'organisation de rencontres et d'échanges entre professionnels du livre,
- La formation et la mise en réseau d'éditeurs et de libraires du monde entier.

Cet annuaire présente les adhérents du BIEF. Il permet aux professionnels étrangers de disposer des coordonnées des personnes en charge de l'international – droits étrangers, export, droits audiovisuels – dans chaque maison d'édition ainsi que les domaines éditoriaux publiés.

The cover features a large orange shape in the top right corner and a pink triangle in the bottom right corner. The text is positioned in the white space between these shapes.
